

The image shows two flags on poles in the foreground: the United States flag on the left and the Union Jack on the right. They are set against a blurred background of a city street in London, with the Big Ben clock tower visible in the distance. A red rectangular box is overlaid on the right side of the image, containing the text "#LearnEnglish with fun!" in a blue, handwritten-style font.

**A postcard for you :**

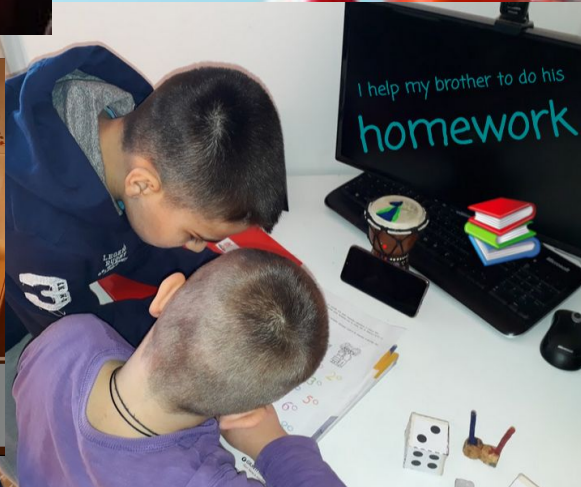

Dear Miss. Bova,  
I'm writing you from London, a fantastic city and the capital of England.  
The only problem of this city is the weather: many times it rains, infact you don't know how to dress.  
In this city everything changes, from driving to paying, to eating but it is much bigger than Bologna.  
It seems almost a paradise. I recommend it very!

See you in September

# COUNT ON ME

BRUNO MARS

This presentation is dedicated to the analysis of the song: "COUNT ON ME". Very beautiful and with many meanings!

Questa presentazione è dedicata all'analisi della canzone: "CONTARE SU DI ME". Molto bella e con molti significati!

## Analysis of the text

### VERSE 1:

if you ever find yourself stuck in the middle  
of the sea

I'll sail the world to find you

If you ever find yourself lost in the dark and  
you can't see

I'll be the light to guide you

We'll find out what we're made of

When we are called to help our friends in  
need

In this verse, the singer expresses what he does for a friend in difficulty, like looking for him in the middle of the sea.

if you ever find yourself lost in the dark and you can't see

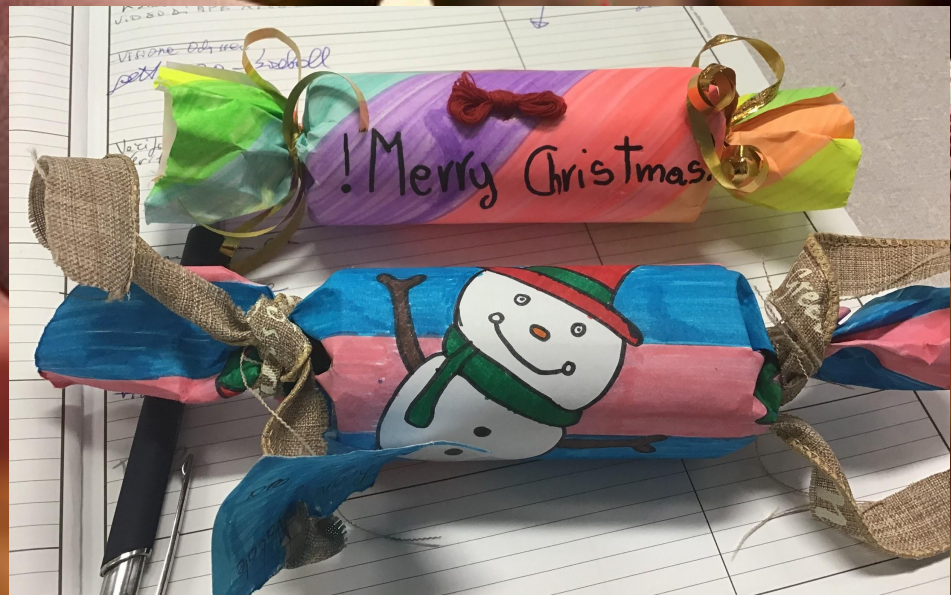

is a metaphor, it means that if a friend loses the right way he will be there to bring it back to the right one

# It's Christmas time!

We make and exchange Christmas crackers...

The image features a Union Jack flag, the national flag of the United Kingdom, with its characteristic red cross on a white background and blue field. The flag is centered and occupies most of the frame. Overlaid on the center of the flag is the text "Thanks for your attention!!" in a white, handwritten-style font. The text is positioned horizontally across the middle of the flag's cross.

Thanks for your attention!!
